1. Sentia The Global School was established during the year 2008-2009 by Vidya Kshetra Educational Society. Mr. A. Deepak is the Founder and Chairman of the school. Mrs. A. Sunita is the Academic Head of the school. The school is affiliated to the Central Board of Secondary Education, New Delhi, vide affiliation No. 3630065. At present the school has about 2300 students. It is a coeducational school and the school does not have boarding facility. We have no branches elsewhere.
2. At Sentia The Global School, we believe that every student can achieve excellence in a conducive atmosphere that is encouraging and challenging. The school offers students the best resources and facilities. By instilling high values, we create opportunities for students to develop their all round potential. Our high standards and academic excellence groom students to be responsible world citizens.

Motto:

Semper Superne Nitens- Always Striving Upwards

Mission:

To foster human excellence imbued with integrity, loyalty and the spirit of service to mankind through quality education, steeped in Indian ethos and values.

Vision:

To evolve and grow by continuously enhancing the range of competencies, expanding the gamut of our activities and extending the frontiers of our operations in dissipating knowledge and education.

3. The class students ratio is 1:32 in classes Balvatika III to XII. The school timing is from 8.00 am to 3.15 pm for classes Balvatika III to XII and for Balvatika I & II school timing is from 8.45 am to 1 pm. Parents have to arrange their own transport for Balvatika I & II classes. The class rooms are not air conditioned, however the school building is constructed in an environmentally sound and well ventilated manner to create comfortable and good learning environment. Each floor is supervised by a trained lady supervisor. Entry of unauthorized persons is strictly prohibited. Though every care is taken to ensure the safety and welfare of the students, if any accidents occur, the school is not responsible for the consequences.

4. SSE and SSCE 2026 results have been excellent with 100% pass, registering a quantum upward increase year on year. 16 students secured all A1 in all subjects in SSE (Grade X).

Yet another feather in our cap is GUINNESS WORLD RECORDS.

- 69 Sentians for their outstanding and largest team display of Taekwondo- Poomsae I & II in January 2014.
 - 207 Sentians for their outstanding and largest team display of Taekwondo- Poomsae I & II, 40 times within 25 minutes in November 2014.
5. The medium of instruction and communication is English in the school. Fluency in English is considered as a vital requirement for all. The second language Hindi starts in Balvatika II. To fulfill the board requirements, a third language, Telugu is taught in classes I to X.
 6. For holistic education, academic and non-academic activities are planned. Children are exposed to activities like yoga, music, dance, art & craft, outdoor sports & taekwondo. The school organizes special morning sports for classes III to XII in school from 7.30 am to 8.00 am for football, cricket, basket ball & drums. Interested pupils must come by own transport in the morning.

Great care is taken in the way we recruit our teachers. Along with the requisite academic and professional qualifications, love for children, love for learning and passion for job are essential qualifications to be a SENTIA teacher.

7. At Sentia, curriculum is an ever evolving system encompassing various activities and experiences in school. Art, music, drama & sports are interwoven into the daily programme to foster development of scientific aptitude, language and numerical skills. The curriculum champions self discovery, appreciates unique talent among children and builds a community of individual and collective excellence. It supports academic growth rigorously through project based and experiential learning.
8. The interactive digital boards which are an integral part of each and every class room from class I to XII, take learning beyond the text book and help children to wider their thought processes with great insight into topics dealt. The visual perception further heightens and reinforces the educational pursuits. Home assignment establishes a link between school and home. We view this as positive step for developing good work habits in later years. It is extension and review of what is done in the class.
9. Students of classes VI to XII are on the threshold of crucial learning. The teachers use innovative techniques to prepare them for broader horizons. The syllabi and the evaluation is as per the rules and norms prescribed by the CBSE. We do not conduct any coaching classes for Olympiads and external exams. We believe in self study mode of preparation.

10. In accordance with the recommendations of the CBSE, the school will follow a uniform assessment scheme that stipulates a two semester system – complete with half yearly and annual examination. Two periodic tests will be conducted every semester.

Semester I (March 2027 to September 2027)	Semester II (October 2027 to March 2028)
PT 1 – July 2027	PT 3- December 2027
PT 2 (Half Yearly)- September 2027	PT 4 (Annual Exams)- February/ March 2028

- ❖ PT: Periodic Test refers to evaluating a child's performance in a holistic way, showing progress in various skills, attitudes and values. The progress of the students will be continuously reviewed through class test, subject enrichment activities, multidisciplinary activities, conversational skills etc.
 - ❖ Term End Exams: These help to evaluate and assess periodically the academic and intellectual growth of a child using various questions and techniques including MCQ's, data interpretation, competency based questions, case based questions, very short, short and long answer questions.
11. Balvatika is a pre-primary education initiative focusing on foundational learning and development for young children. It emphasizes play based and experiential learning activities preparing them for Grade 1. Games are a natural means of teaching for little ones and are the integral part of every classroom. Teachers use flash cards and models to teach. Songs and rhymes are used to develop vocabulary. Teachers extensively use picture reading to help the students grasp new concepts. The curriculum is designed in a way which is both fun and challenging for the little ones. At this stage no exams are conducted but the performance is assessed on a day to day basis. The grading is continuous and comprehensive.
12. All Saturdays are holidays for classes Balvatika I to III. Students of classes IV to XII shall have six days week with Fourth Saturday as holiday.
13. The school does not provide canteen or food options. We encourage our students to eat healthy home cooked food.
