

SENTIA THE GLOBAL SCHOOL		
TRAINING DETAILS 2026-27		
S no.	Name	Training details
1	S Swetha	Enhancing Teachers' Skills for Student Career Development and Decision Making
		NEP 2020: 21st Century Skill-Cultural and Global Citizenship
		Mental & Physical well being in era of Cyber space
		Mental health and wellness among children
		ICT for teaching & learning of languages
2	Chandrika Prasanna	Mental health and wellness among children
		Online Violence Against Children
		NEP 2020: 21st Century Skill-Cultural and Global Citizenship
		Media Literacy
		ICT for teaching & learning of languages
3	Mayuri Mukesh Phalak	NEP 2020: 21st Century Skill communication
		Artificial Intelligence in Education
		NEP 2020: 21st Century Skill-Cultural and Global Citizenship
		Online Violence Against Children
		Mental & Physical well being in era of Cyber space
4	S Sowjanya	Mental & Physical well being in era of Cyber space
		Introduction to Inclusive Education
		Gnana Prakash Year 3
		NEP 2020: 21 st Century skill creativity and innovation
		NEP 2020: 21st Century Skill communication

5	Daviashala Utage	Mental & Physical well being in era of Cyber space
		Introduction to Inclusive Education
		Online Violence Against Children
6	B Archana	Online Violence Against Children
		ICT for teaching & learning of languages
		Mental & Physical well being in era of Cyber space
		Introduction to Inclusive Education
		Enhancing Teachers' Skills for Student Career Development and Decision Making
7	Nancy	Introduction to Inclusive Education
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		NEP 2020: Empowering SEDGS
		Personalized adaptive learning (PAL)
		Gnana Prakash Year 3
8	M PUSHPALATHA	Mental & Physical well being in era of Cyber space
		Gnana Prakash Year 3
		Introduction to Inclusive Education
		Online Violence Against Children
		ICT for teaching & learning of Social Science
9	Debashree Das	Elevating teaching learning dynamics
		ICT for teaching & learning of languages
		Mental & Physical well being in era of Cyber space
		Career Guidance
		Online & digital education

10	R Sravanthi	Mental & Physical well being in era of Cyber space
		AI tools for education
11	Aditi Paul	ICT for teaching & learning Mathematics
		Elevating teaching learning dynamics
		Online and digital education in the lens of NEP 2020
		Online Violence Against Children
		Mental & Physical well being in era of Cyber space
12	Sushma Mittal	NEP 2020: 21 st Century skill creativity and innovation
		Online Violence Against Children
		Mental health and wellness among children
		ICT for teaching & learning of Social Science
		ICT for teaching & learning of Science
		ICT and mobile devices and its safety
13	Poonam Sharma	Mental & Physical well being in era of Cyber space
		NEP 2020: 21st Century Skill-Cultural and Global Citizenship
		Online Violence Against Children
		Gnana Prakash Year 3
		Micro learning and nano courses & edu teaching learning
14	Kaberi Roy	Mental & Physical well being in era of Cyber space
		Online Violence Against Children
		ICT for teaching & learning of languages
		Elevating teaching learning dynamics
		AI tools for education

		Enhancing Teachers' Skills for Student Career Development and Decision Making
15	Joshma V V	Inclusive education in digital technology
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Robotics & AI in education
		Innovate & lead: School transformation strategies
		NEP 2020: 21st Century Skill-Cultural and Global Citizenship
16	Anchal Sharma	Mental & Physical well being in era of Cyber space
		NEP 2020: 21 st Century skill creativity and innovation
		Online Violence Against Children
		Introduction to Inclusive Education
17	Lita Rani Nayak	Enhancing Teachers' Skills for Student Career Development and Decision Making
		Introduction to Inclusive Education
		Gnana Prakash Year 3
		ICT for teaching & learning of languages
18	Snehal	Personalized adaptive learning (PAL)
		NEP 2020 Empowering SEDGS
		Cyber Parenting
		Reimagining pedagogy in digital age
		Enhancing Teachers' Skills for Student Career Development and Decision Making
19	D Sandhya	Online Violence Against Children
		Mental & Physical well being in era of Cyber space
		ICT for teaching of Science
		Artificial Intelligence in Education

		Elevating teaching learning dynamics
		Introduction to Inclusive Education
20	Tirumala	Online Violence Against Children
		Mental & Physical well being in era of Cyber space
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		AI in Education
		ICT for teaching & learning of languages
21	Mahaswetha Samadder	Mental & Physical well being in era of Cyber space
		Introduction to Inclusive Education
		Gnana Prakash Year 3
		Instructional design for Technopedagogy
		Nutrition Survey for Teachers (Classes 1–12)
22	Sreelata Kamat	ICT for Teaching and Learning of Social Sciences
		Mental & Physical well being in era of Cyber space
		ICT for Teaching and Learning of Mathematics
		ICT for Teaching and Learning of Languages
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Online Violence Against Children
		Elevating teaching learning dynamics
		Artificial Intelligence in Education
		Mental health and wellness among children
		ICT for Teaching and Learning of Languages
		Mental & Physical well being in era of Cyber space

23	Manisha Batra	Online Violence Against Children
		Elevating teaching learning dynamics
		Artificial Intelligence in Education
		NEP 2020: 21st Century Skill-Cultural and Global Citizenship
		ICT for Teaching and Learning of Science
24	Sumita Bhowmick	ICT for Teaching and Learning of Mathematics
		Mental & Physical well being in era of Cyber space
		Artificial Intelligence in Education
		Online Violence Against Children
		Nutrition Survey for Teachers (Classes 1–12)
25	Shalini Sharma	Mental & Physical well being in era of Cyber space
		ICT for Teaching and Learning of Languages
		Online Violence Against Children
		Elevating teaching learning dynamics
		Artificial Intelligence in Education
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		New era of entrepreneur ecosystem
26	Vanajakshi	ICT for Teaching and Learning of Languages
		Mental & Physical well being in era of Cyber space
		Cyber crime
		Personalized adaptive learning (PAL)
		ICT for Teaching and Learning of Mathematics
		Mental & Physical well being in era of Cyber space

27	Rina K	Artificial Intelligence in Education
		Cyber Parenting
		NEP 2020: 21st Century Skill-Cultural and Global Citizenship
		Elevating teaching learning dynamics
		ICT for Teaching and Learning of Social Sciences
28	Ruchi Jain	ICT for Teaching and Learning of Languages
		Artificial Intelligence in Education
		ICT for Teaching and Learning of Social Sciences
		ICT for Teaching and Learning of Mathematics
		Enhancing Teachers' Skills for Student Career Development and Decision Making
29	K Aruna	ICT for Teaching and Learning of Mathematics
		ICT for Teaching and Learning of Science
		Online Violence Against Children
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Artificial Intelligence (AI) in Education
		ICT for Teaching and Learning of Social Sciences
30	Madhuri Palle	ICT for Teaching and Learning of Languages
		Online Violence Against Children
		ICT for Teaching and Learning of Science
		Elevating teaching learning dynamics
		Mental & Physical well being in era of Cyber space
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Artificial Intelligence (AI) in Education

31	Barsa Priyadarsini	NEP 2020: 21st Century Skill-Communication
		Artificial Intelligence (AI) in Education
		Elevating teaching learning dynamics
		Foundation of AI
32	Sunitha Rana	Nutrition Survey for Teachers (Classes 1–12)
		Artificial Intelligence (AI) in Education
		Elevating teaching learning dynamics
		Online Violence Against Children
		Mental & Physical well being in era of Cyber space
33	Kamaladatta Mishra	Artificial Intelligence (AI) in Education
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Mental & Physical well being in era of Cyber space
		Online Violence Against Children
		Mental health and wellness among children
34	Itishree Raiguru	Promoting mental health & Wellness among students
		NEP 2020: 21st Century Skill-Cultural and Global Citizenship
		Mental & Physical well being in era of Cyber space
		Online Violence Against Children
		ICT for Teaching and Learning of Social Sciences
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Mental & Physical well being in era of Cyber space
		NEP 2020: 21st Century Skill-Creativity and Innovation
		Digital Wellness

35	Zeenat Parveen Ansari	Elevating Teaching-Learning Dynamics on DIKSHA
		Artificial Intelligence (AI) in Education
		Online Violence Against Children
		ICT for Teaching and Learning of Languages
36	P Gowri Kinnera	ICT for Teaching and Learning of Social Sciences
		Mental & Physical well being in era of Cyber space
		Artificial Intelligence (AI) in Education
		ICT for Teaching and Learning of Science
		ICT for Teaching and Learning of Mathematics
		Enhancing Teachers' Skills for Student Career Development and Decision Making
37	Jaya Rajeshwar Sangwai	Enhancing Teachers' Skills for Student Career Development and Decision Making
		Online Violence Against Children
		Mental & Physical well being in era of Cyber space
		ICT for Teaching and Learning of Social Sciences
		ICT for Teaching and Learning of Mathematics
		Elevating Teaching-Learning Dynamics on DIKSHA
		Artificial Intelligence (AI) in Education
		ICT for Teaching and Learning of Science
		ICT for Teaching and Learning of Languages
38	R. Srivani	Enhancing Teachers' Skills for Student Career Development and Decision Making
		Artificial Intelligence (AI) in Education
		Online Violence Against Children
		Mental & Physical well being in era of Cyber space

38	D Shrivani	Elevating Teaching-Learning Dynamics on DIKSHA
		ICT for Teaching and Learning of Mathematics
		ICT for Teaching and Learning of Languages
		Nutrition Survey for Teachers (Classes 1–12)
39	Priyanka Mohanty	ICT for Teaching and Learning of Mathematics
		ICT for Teaching and Learning of Languages
		ICT for Teaching and Learning of Social Sciences
		Online Violence Against Children
		Artificial Intelligence (AI) in Education
		Elevating Teaching-Learning Dynamics on DIKSHA
		Mental & Physical well being in era of Cyber space
40	Ravneet Kaur	NEP 2020: 21st Century Skill-Cultural and Global Citizenship
		Promoting mental health & Wellness among students
		Online Violence Against Children
		Artificial Intelligence (AI) in Education
		Elevating Teaching-Learning Dynamics on DIKSHA
		ICT for Teaching and Learning of Languages
		Enhancing Teachers' Skills for Student Career Development and Decision Making
41	Bhavika Dinesh Parmar	Artificial Intelligence (AI) in Education
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Online Violence Against Children
		Digital Wellness
		ICT for Teaching and Learning of Languages

		Elevating Teaching-Learning Dynamics on DIKSHA
42	Gopa Das	ICT for Teaching and Learning of Languages
		Mental & Physical well being in era of Cyber space
		Online Violence Against Children
		ICT for Teaching and Learning of Mathematics
		Artificial Intelligence (AI) in Education
		Online and digital education in the lens of NEP 2020
		Elevating Teaching-Learning Dynamics on DIKSHA
		ICT for Teaching and Learning of Science
43	Kuluri Saritha	NEP 2020: 21st Century Skill-Cultural and Global Citizenship
		ICT for Teaching and Learning of Social Sciences
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Artificial Intelligence (AI) in Education
		Elevating Teaching-Learning Dynamics on DIKSHA
		ICT for Teaching and Learning of Languages
		Mental & Physical well being in era of Cyber space
		Online Violence Against Children
		Promoting mental health & Wellness among students
44	Deepali S Firke	ICT for Teaching and Learning of Mathematics
		Mental & Physical well being in era of Cyber space
		ICT for Teaching and Learning of Languages
		Online Violence Against Children
		Elevating Teaching-Learning Dynamics on DIKSHA

		Artificial Intelligence (AI) in Education
45	Asmita Mishra	Enhancing Teachers' Skills for Student Career Development and Decision Making
		ICT for Teaching and Learning of Languages
		ICT for Teaching and Learning of Social Sciences
		Mental & Physical well being in era of Cyber space
		ICT for Teaching and Learning of Science
		Online Violence Against Children
46	Manasa Potnuru	ICT for Teaching and Learning of Social Sciences
		ICT for Teaching and Learning of Science
		Mental & Physical well being in era of Cyber space
		Elevating Teaching-Learning Dynamics on DIKSHA
		NEP 2020: 21st Century Skill-Cultural and Global Citizenship
		ICT for Teaching and Learning of Languages
		Online Violence Against Children
47	Anju Yadav	Enhancing Teachers' Skills for Student Career Development and Decision Making
		ICT for Teaching and Learning of Languages
		Artificial Intelligence (AI) in Education
		NEP 2020: 21st Century Skill-Creativity and Innovation
		NEP 2020: 21st Century Skill-Cultural and Global Citizenship
48	Kavita Katiyar	ICT for Teaching and Learning of Social Sciences
		Mental & Physical well being in era of Cyber space
		ICT for Teaching and Learning of Languages
		ICT for Teaching and Learning of Science

		Artificial Intelligence (AI) in Education
49	Jasasmita Pani	Promoting mental health & Wellness among students
		Human manipulation in cyber fraud & prevention & protection
		Personalized adaptive learning (PAL)
		ICT for Teaching and Learning of Mathematics
		Artificial Intelligence (AI) in Education
		Introduction to Inclusive Education
		Elevating Teaching-Learning Dynamics on DIKSHA
		Empowering students with Artificial intelligence
50	Sowmya Lingam	Artificial Intelligence (AI) in Education
		Online Violence Against Children
		ICT for Teaching and Learning of Social Sciences
		ICT for Teaching and Learning of Languages
		Mental & Physical well being in era of Cyber space
		Elevating Teaching-Learning Dynamics on DIKSHA
		ICT for Teaching and Learning of Science
51	Alphasa Barik	Personalized adaptive learning (PAL)
		Action research
		E-Waste management
		Catch the Rain
		Cyber hygiene
		Promoting mental health & Wellness among students
		Online and digital education in the lens of NEP 2020

52	Animita Sengupta	NEP 2020- Empowering SEDGS
		ICT for Teaching and Learning of Social Sciences
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Mental & Physical well being in era of Cyber space
		Personalized adaptive learning (PAL)
		Elevating Teaching-Learning Dynamics on DIKSHA
53	Sona	Artificial Intelligence (AI) in Education
		Elevating Teaching-Learning Dynamics on DIKSHA
		ICT for Teaching and Learning of Mathematics
		Mental & Physical well being in era of Cyber space
		NEP 2020- Empowering SEDGS
		Online and digital education in the lens of NEP 2020
		Promoting mental health & Wellness among students
54	Varalakshmi Subha	Artificial Intelligence (AI) in Education
		Elevating Teaching-Learning Dynamics on DIKSHA
		ICT for Teaching and Learning of Science
		ICT for Teaching and Learning of Social Sciences
		Mental & Physical well being in era of Cyber space
		ICT for Teaching and Learning of Languages
		Cyber hygiene
		Personalized adaptive learning (PAL)
		Online Violence Against Children
55	Juni Roy	Personalized adaptive learning (PAL)

55	Juni Roy	Artificial Intelligence (AI) in Education
56	Manisha Kor	ICT for Teaching and Learning of Science
		Personalized adaptive learning (PAL)
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Artificial Intelligence (AI) in Education
		Online Violence Against Children
		Elevating Teaching-Learning Dynamics on DIKSHA
		ICT for Teaching and Learning of Mathematics
57	Gurjeet Kaur	Online and digital education in the lens of NEP 2020
		Mental & Physical well being in era of Cyber space
		ICT for Teaching and Learning of Science
		ICT for Teaching and Learning of Languages
		Artificial Intelligence (AI) in Education
		Online Violence Against Children
		NEP 2020: 21st Century Skill-Cultural and Global Citizenship
		Promoting mental health & Wellness among students
		Personalized adaptive learning (PAL)
58	Shaik Shireen	ICT for Teaching and Learning of Languages
		NEP 2020: 21st Century Skill-Cultural and Global Citizenship
		Online Violence Against Children
		Mental & Physical well being in era of Cyber space
		Artificial Intelligence (AI) in Education
		Promoting mental health & Wellness among students

		Personalized adaptive learning (PAL)
59	B Spandana	ICT for Teaching and Learning of Mathematics
		Artificial Intelligence (AI) in Education
		Online Violence Against Children
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Promoting mental health & Wellness among students
60	A Pushpalatha	ICT for Teaching and Learning of Mathematics
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Introduction to Inclusive Education
		Online and digital education in the lens of NEP 2020
		Leveraging AI for trasnsforming school education
		Cyber hygiene
		Artificial Intelligence (AI) in Education
		Elevating Teaching-Learning Dynamics on DIKSHA
		Computational thinking and AI
61	Bhavana Goswami	ICT for Teaching and Learning of Mathematics
		Cyber hygiene parctices personnel digital devices
		ICT for Teaching and Learning of Science
62	Rina Gupta	Promoting mental health & Wellness among students
		Artificial Intelligence (AI) in Education
		NEP 2020- Empowering SEDGS
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Personalized adaptive learning (PAL)

63	G Kavitha	Mental & Physical well being in era of Cyber space
		Online Violence Against Children
		ICT for Teaching and Learning of Mathematics
		ICT for Teaching and Learning of Languages
		ICT for Teaching and Learning of Social Sciences
64	Neelu Tripathi Dubey	Artificial Intelligence (AI) in Education
		Elevating Teaching-Learning Dynamics on DIKSHA
		Online and digital education in the lens of NEP 2020
		NEP 2020: 21st Century Skill-Creativity and Innovation
		Enhancing Teachers' Skills for Student Career Development and Decision Making
65	Swarnali Bhattacharjee	Artificial Intelligence (AI) in Education
		Nishtha FLN English
		Social media safety
		Animation as digital resources for teaching & learning
		Open educational resources (OER) innovating education
		ICT for Teaching and Learning of Social Sciences
		Enhancing Teachers' Skills for Student Career Development and Decision Making
66	A Padma Suhasini	AI in education- Empowering educators for future ready in India
		Elevating Teaching-Learning Dynamics on DIKSHA
		Artificial Intelligence (AI) in Education
		ICT for Teaching and Learning of Social Sciences
		Mental & Physical well being in era of Cyber space
		Online and digital education in the lens of NEP 2020

		Online Violence Against Children
		Enhancing Teachers' Skills for Student Career Development and Decision Making
67	Neha Singh	Promoting mental health & Wellness among students
		Artificial Intelligence (AI) in Education
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		ICT for Teaching and Learning of Science
		NEP 2020- Empowering SEDGS
		AI TOOLS
		Elevating Teaching-Learning Dynamics on DIKSHA
68	M Uma Bharati	Enhancing Teachers' Skills for Student Career Development and Decision Making
		Empowering students with Artificial intelligence
		Digitally empowered teachers
		Online Violence Against Children
69	Yamun Zafar	Enhancing Teachers' Skills for Student Career Development and Decision Making
		Elevating Teaching-Learning Dynamics on DIKSHA
		ICT for Teaching and Learning of Mathematics
		Mental & Physical well being in era of Cyber space
		Inclusive education in digital technology
		Cyber hygiene parctices personnel digital devices
		NEP 2020: 21st Century Skill-Cultural and Global Citizenship
		Promoting mental health & Wellness among students
		Online Violence Against Children
		Artificial Intelligence (AI) in Education

70	Nidhi Tyagi	ICT for Teaching and Learning of Social Sciences
		Online Violence Against Children
		Artificial Intelligence (AI) in Education
		Elevating Teaching-Learning Dynamics on DIKSHA
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		NEP 2020: 21st Century Skill-Cultural and Global Citizenship
		NEP 2020: 21st Century Skill-Communication
		NEP 2020: 21st Century Skill-Creativity and Innovation
71	Kavita Sodecha	ICT for Teaching and Learning of Mathematics
		Digitally empowered teachers
		Artificial Intelligence (AI) in Education
		Mental & Physical well being in era of Cyber space
		Enhancing Teachers' Skills for Student Career Development and Decision Making
72	M Jayshree	ICT for Teaching and Learning of Mathematics
		Online Violence Against Children
		Personalized adaptive learning (PAL)
		Mental & Physical well being in era of Cyber space
		Artificial Intelligence (AI) in Education
		Digitally empowered teachers
		Elevating Teaching-Learning Dynamics on DIKSHA
		Online and digital education in the lens of NEP 2020
		Introduction to Inclusive Education
		Digitally empowered teachers

73	Purvi Pandey Choubey	Artificial Intelligence (AI) in Education
		cyber practices- Personal hygiene
		Introduction to Inclusive Education
		Online Violence Against Children
74	Debolina Chatterjee	Enhancing Teachers' Skills for Student Career Development and Decision Making
		NEP 2020: 21st Century Skill-Creativity and Innovation
		NEP 2020: 21st Century Skill-Communication
		ICT for Teaching and Learning of Languages
		Elevating Teaching-Learning Dynamics on DIKSHA
		Mental & Physical well being in era of Cyber space
		Foundation of AI
		Online Violence Against Children
		Promoting mental health & Wellness among students
75	K Lavanya Rekha	Enhancing Teachers' Skills for Student Career Development and Decision Making
		NEP 2020: 21st Century Skill-Cultural and Global Citizenship
		Promoting mental health & Wellness among students
76	Sandhya B	Enhancing Teachers' Skills for Student Career Development and Decision Making
		NEP 2020: 21st Century Skill-Cultural and Global Citizenship
		Mental & Physical well being in era of Cyber space
		Elevating Teaching-Learning Dynamics on DIKSHA
		AI in education- Empowering educators for future ready in India
		Online Violence Against Children
		Digitally empowered teachers

77	S Lakshmi Pawar	Enhancing Teachers' Skills for Student Career Development and Decision Making
		NEP 2020: 21st Century Skill-Communication
		NEP 2020: 21st Century Skill-Creativity and Innovation
		NEP 2020: 21st Century Skill-Cultural and Global Citizenship
		AI in education- Empowering educators for future ready in India
78	Himabindu N	Promoting mental health & Wellness among students
		Elevating Teaching-Learning Dynamics on DIKSHA
		ICT for Teaching and Learning of Mathematics
		Personalized adaptive learning (PAL)
		NEP 2020- Empowering SEDGS
		Evaluation of board exam papers
		Introduction to Inclusive Education
		Digitally empowered teachers
		Online and digital education in the lens of NEP 2020
		Catch the Rain
79	Deepti Rani Nayak	Enhancing Teachers' Skills for Student Career Development and Decision Making
		ICT for Teaching and Learning of Mathematics
		Elevating Teaching-Learning Dynamics on DIKSHA
		AI in education- Empowering educators for future ready in India
		Online and digital education in the lens of NEP 2020
		Mental & Physical well being in era of Cyber space
		Online Violence Against Children
		Digitally empowered teachers

		NEP 2020 Empowering SEDGS
80	D Sangeetha	Elevating Teaching-Learning Dynamics on DIKSHA
		Digital Wellness
		ICT for Teaching and Learning of Social Sciences
		Artificial Intelligence (AI) in Education
		ICT for Teaching and Learning of Languages
		AI in education- Empowering educators for future ready in India
		Promoting mental health & Wellness among students
		Promoting mental health & Wellness among students
81	Rama Garimella	Enhancing Teachers' Skills for Student Career Development and Decision Making
		Digital Wellness
		Online Violence Against Children
		Artificial Intelligence (AI) in Education
		Digital Education in the lens of NEP 2020
82	Sridevi Mishra	AI in education- Empowering educators for future ready in India
		Elevating Teaching-Learning Dynamics on DIKSHA
		Online Violence Against Children
		Digitally empowered teachers
		Mental & Physical well being in era of Cyber space
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Promoting mental health & Wellness among students
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		AI in education- Empowering educators for future ready in India

83	Kumkum Choudhary	Online digital education in the lens of NEP 2020
		Digitally empowered teachers
		Promoting mental health & Wellness among students
		ICT for Teaching and Learning of Languages
		Online Violence Against Children
		Elevating Teaching-Learning Dynamics on DIKSHA
84	Purvi Pandey	Enhancing Teachers' Skills for Student Career Development and Decision Making
		Artificial Intelligence (AI) in Education
		ICT for Teaching and Learning of Science
		ICT for Teaching and Learning of Languages
		ICT for Teaching and Learning of Social Sciences
		Mental & Physical well being in era of Cyber space
		Elevating Teaching-Learning Dynamics on DIKSHA
		Online Violence Against Children
		Promoting mental health & Wellness among students
85	I Chaitanya	NEP 2020: 21st Century Skill-Communication
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Artificial Intelligence (AI) in Education
		Digitally empowered teachers
		Online Violence Against Children
		Promoting mental health & Wellness among students
		AI in education- Empowering educators for future ready in India
		Digitally empowered teachers

86	Hymavathi	Online digital education in the lens of NEP 2020
		Online Violence Against Children
		Mental & Physical well being in era of Cyber space
		Elevating Teaching-Learning Dynamics on DIKSHA
		E-Waste management
		cyber practices- Personal hygiene
87	Madhulika Barange	Artificial Intelligence (AI) in Education
		Enhancing Teachers' Skills for Student Career Development and Decision Making
88	Ritu Kaul	Promoting mental health & Wellness among students
		Digitally empowered teachers
		Online Violence Against Children
		Online digital education in the lens of NEP 2020
		Advance Science learning- AI led
		Elevating Teaching-Learning Dynamics on DIKSHA
89	V Yamini Manjusha	School transformation strategies
		Advance Science learning- AI led
		Digitally empowered teachers
		Elevating Teaching-Learning Dynamics on DIKSHA
		Personalized adaptive learning (PAL)
		Foundation of AI
		Mental & Physical well being in era of Cyber space
		Online Violence Against Children
		Online digital education in the lens of NEP 2020

90	Jinde Indira	ICT for Teaching and Learning of Science
		Personalized adaptive learning (PAL)
91	Shaik Bebi John	Enhancing Mathematics competency through AI
		Mental & Physical well being in era of Cyber space
		ICT for Teaching and Learning of Science
		ICT for Teaching and Learning of Social Sciences
		Online Violence Against Children
92	Pragyan Mishra	Enhancing Mathematics competency through AI
		Online digital education in the lens of NEP 2020
		Robotics and AI in education
		Data Privacy & protection
		Action research
93	Priya Verma	Educational research and training
		Mental & Physical well being in era of Cyber space
		ICT for Teaching and Learning of Languages
94	Deepashree Guha	Educational research and training
		ICT for Teaching and Learning of Science
		Catch the Rain
95	Vandana Singh	Promoting mental health & Wellness among students
		Personalized adaptive learning (PAL)
		Artificial Intelligence (AI) in Education
		Elevating Teaching-Learning Dynamics on DIKSHA
		Online Violence Against Children

		Enhancing Teachers' Skills for Student Career Development and Decision Making
96	Marisetty Dhanalakshmi	Promoting mental health & Wellness among students
		Digital Education in the lens of NEP 2020
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		ICT for Teaching and Learning of Languages
		NEP 2020: 21st Century Skill-Cultural and Global Citizenship
		Elevating Teaching-Learning Dynamics on DIKSHA
		Mental & Physical well being in era of Cyber space
100	Madhavi Gour	Promoting mental health & Wellness among students
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Personalized adaptive learning (PAL)
		Online digital education in the lens of NEP 2020
		Elevating Teaching-Learning Dynamics on DIKSHA
		AI in education- Empowering educators for future ready in India
		Mental & Physical well being in era of Cyber space
		Evaluation of board exam papers
101	Suryalakshmi B	Promoting mental health & Wellness among students
		Digitally empowered teachers
		Enhancing Mathematics competency through AI
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Personalized adaptive learning (PAL)
		ICT for Teaching and Learning of Mathematics
		Artificial Intelligence (AI) in Education

102	Vasundhara T	Elevating Teaching-Learning Dynamics on DIKSHA
		Online digital education in the lens of NEP 2020
		E-Waste management
		Digitally empowered teachers
		ICT for Teaching and Learning of Languages
		UNICEF INDIA
		Catch the Rain
103	Satyam Srivastava	Online Violence Against Children
		Elevating Teaching-Learning Dynamics on DIKSHA
		ICT for Teaching and Learning of Science
		Mental & Physical well being in era of Cyber space
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Promoting mental health & Wellness among students
		Personalized adaptive learning (PAL)
104	Anshu	Enhancing Teachers' Skills for Student Career Development and Decision Making
		Elevating Teaching-Learning Dynamics on DIKSHA
		Artificial Intelligence (AI) in Education
		ICT for Teaching and Learning of Social Sciences
		Online Violence Against Children
105	Rakhi Singh	Enhancing Teachers' Skills for Student Career Development and Decision Making
		Elevating Teaching-Learning Dynamics on DIKSHA
		Artificial Intelligence (AI) in Education
		ICT for Teaching and Learning of Social Sciences

		Online Violence Against Children
		Mental & Physical well being in era of Cyber space
		Online digital education in the lens of NEP 2020
106	V Sailaja	Online Violence Against Children
		Leveraging AI for trasnsforming school education
		Promoting mental health & Wellness among students
		NEP 2020 Empowering SEDGS
		Advance Science learning- AI led
		Digitally empowered teachers
		Action research
		Evaluation of board exam papers
107	M Srilakshmi	Promoting mental health & Wellness among students
		Leveraging AI for trasnsforming school education
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Elevating Teaching-Learning Dynamics on DIKSHA
		Artificial Intelligence (AI) in Education
		Mental & Physical well being in era of Cyber space
		Advance Science learning- AI led
		Personalized adaptive learning (PAL)
		Evaluation of board exam papers
		Digitally empowered teachers
		Mental & Physical well being in era of Cyber space
		AI in education- Empowering educators for future ready in India

108	Shiwani Sharma	ICT for Teaching and Learning of Languages
		Online Violence Against Children
		Online and digital education in the lens of NEP 2020
		Elevating Teaching-Learning Dynamics on DIKSHA
		E-Waste management
109	Sunitha Menon	ICT for Teaching and Learning of Science
		ICT for Teaching and Learning of Mathematics
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Online digital education in the lens of NEP 2020
		AI in education- Empowering educators for future ready in India
		AI tools
		Evaluation of board exam papers
110	Kumari Aruna	Promoting mental health & Wellness among students
		Enhancing Teachers' Skills for Student Career Development and Decision Making
		Advance Science learning- AI led
