

SENTIA THE GLOBAL SCHOOL

S.N	SUBJECT	ART ACTIVITY	TOPIC/THEME: POWER / ELECTRICITY	CLASS : X
1.	English	1. Painting 2. Pla Cards	1. Create a visual contrast between Valli's quiet village and the dazzling electrically driven town. OR 2. Prepare a conceptual circuit board where different components represents different characters of the story "Bholi"	
2.	Hindi	1. Collage 2. Poster	1. Role of scouts and guides in energy conservation and green energy with slogan. OR 2. Contribution of power (solar and green energy) in fast growing development in Japan.	
3.	Math	1. Drawing 2. Poster	1. Draw a large circle and divide into sections like pie chart and explain electricity flow system with generation (power plant), transmission, home use, safety rules. OR 2. Design and prepare a creative poster on "Hydro electric energy through mathematics."	
4.	Science	1. Flyer 2. Infographic	1. Design a flyer on "Invisible force on electricity." OR 2. Prepare an infographic design on "From carbon fuels to electric power."	
5.	Social	1. Article writing 2. Rangoli Making	1. Create a handmade one page newspaper on conservation of electricity. OR 2. Design a rangoli using electrical symbols and label the symbols around the rangoli.	
6.	IT	1. Poster 2. PPT	1. Create a digital poster showing how electricity is used in the IT sector and how we can save energy through green practices. 'Green power – Power using a sustainable future.' OR 2. 'Electrical safety at the workplace prevent , protect stay safe." Make a PPT on how to prevent electrical accidents in an IT workplace.	
7.	Banking	1. Poster 2. Model	1. Prepare a poster on electricity risk and protection through insurance. Title: Current ka suraksha kavach insurance. OR 2. Make the best out of waste – a painting, wall decoration or a bag, use the waste material to make something useful – use- wires, bulb.	
8.	Visual Arts	1. Craft 2. Drawing	1. Use craft wire to make a continuous art form in warli. OR 2. Make a drawing and explain how electricity has improved the scope of traditional art.	
9.	Dance	Brochure	Design a circuit board brochure for hip hop dance.	
10.	Sports	1. PPT 2. Write up	1. Design a model or a mixed media painting of a night time sports stadium like cricket or foot ball ground. OR 2. Analyse upcoming fully electric infrastructure designs, such as NYCFC's proposed willets point stadium.	

11.	Yoga	1. Poster 2. Write up	1. Prepare a poster on the power within showing a person doing yoga and the 5 koshas. Write one line about each. OR 2. Write a short note on "Yoga , energy & balance" – How yoga, pranayama and meditation improve energy, concentration and balance.
-----	------	------------------------------	---

Note: 1. All art integration projects should be done in project file.
2. All art integration projects to be submitted on or before 31/10/26.
3. Each project carries 10 Marks.
